"What you are is God's gift to you, what you make of yourself is your gift to God." Unknown This quote means a lot to me because it helps me to stay focused in my school work, so I'll have the grades that I want to have. It also helps me to stay focused on all of the goals that I have set in my life. Adrianne Appling

"Promise me that you'll give faith a fighting chance and when you get the choice to sit out or dance, I hope you'll dance" Lee Anne Womack. I want to thank God for giving me life, on Earth and eternal. Most of all, I thank my parents for showing me the way and helping me learn "I'm gone be just fine."-- Miss Nelson. I want to thank the faculty at JCHS for not only giving me the best education that anyone could ever have, but for being a friend, role model, listener, and helping me reach for the stars. Candice Baggarley

I want to thank God for all the blessings I have received in all my years. To persevere through life, no matter what comes your way, is to accomplish greatness. You only get out what you are willing to put in. I want to thank my family, my friends, and my teachers for pushing me to keep striving to be all that I can be. John Davis

People spend their entire lives worrying about what others think or say. Don't worry about these people, just be yourself, do what you want to do, and be what you want to be. "He today that sheds his blood with me shall be my brother." - William Shakespeare "You aren't anything without a good education!" Robert W. Wicker Rob Ellspermann

In my life, religion, faith, hard work and determination, along with encouragement from my parents have led to my success in high school. Chris Epps

"Let us run with perseverance the race marked out for us." Hebrews 12:1. Keep your enthusiasm and persevere until you cross the finish line. Life is full of choices and sometimes its only a choice of attitude. "I can do all things through Christ who strengthens me." Phillipians 4:13. Remember, the happiest people in life don't necessarily have the best of everything, they just make the best of everything. Lacy Gardner

"Life is going to give you just what you put into it. Put your whole heart in everything you do, pray, then you can wait." Maya Angeleu. Thanks to everyone who took the time to help me grow, and encouraged me to follow my heart. Ashley Hamlin

Good students are the result of benevolent families and an excellent community. Dreams can be realized when there are model citizens considerant enough to help young people succeed. I am very lucky to have had so many who cared for me. Doug Jackson

"The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather, a lack of will." Vince Lombardi I would like to thank my friends and family for always believing in me and for helping me through hard times. Justin Lord

"Sing as if nobody's listening, love like you'll never get hurt, dance as if nobody's watching and live like its Heaven on Earth." Garth Brooks I'd like to thank God for all He has given me, my family and friends for always being there, and my daddy for pushing me to be the best that I can be! To my teachers and coaches, thanks for believing in me. I will always cherish the memories that I have of JCHS! Ashley Mayhue

Thanks to the faculty for considering me. It's a very humbling experience to receive this honor. My motivation for success and a positive lifestyle is my faith in God and my love for my family. My advice to all students is to trust God in all situations and to do your best, always. No one is smarter than you unless you believe they are. Your success depends on your effort and determination. Shaine McClendon

I give God credit for the success that I have had in school. He has kept my mind focused on doing well and not worrying about other things that really aren't important. Shawn McClendon

"The true measure of a champion is found not in record books and trophy cases, but in the heart of an athlete as he lay exhausted on the field of play victorious." Vince Lombardi Jake Parent-lew

Knowing who you are and placing all trust in God will bring you joy and strength, but don't stop there! Be a spark! "Hope can be ignited by a spark of encouragement." Unknown Don't be afraid to say "Hi!" and share a smile with someone you don't know; it may just be the little bit they need to get through. Special thanks to Mom and Dad who started the flames in me. Tera Patterson

"Don't let them change you or even rearrange you. We've got a life to live. They say only the fittest of the fittest shall survive. Stay alive." Bob Marley I want to thank Mrs. Roberts for teaching me to "stay alive" and be true to myself. If not for her motivation, I would not have made it to where I am today. Autumn Pippin

"You never lose by loving. You always lose by holding back." D. Aneglis "Friendships are what make this place worth while." Anonymous I would like to thank my parents and my sister for the love, support and help over the years. God has helped me to be the person I am. To my coaches and friends, thanks for the advice and always being there for me. I wouldn't be here without you. I will treasure the friendships and memories I've made here. Rachel Saunders

Whatever you have learned or received or heard from me, or seen in me - put it into practice. And the God of peace will be with you. Phillipians 4:9 First, I would like to thank God for His guidance and protection. I would also like to thank my family, friends and everyone at JCHS for supporting me these past four years. Always follow your dreams and seize every opportunity that comes your way. Jeremy Skidmore

Appollinaire said, "Come to the edge." "It's too high." "Come to the edge." "We might fall." "Come to the edge." And they came. And he pushed them. And they flew. Garland Wright I would like to say a big thank you to my parents for always supporting me. Thank you to Petey and Scam for the extra "push". To my friends, thank you for being there for me. I love you guys!!! Bohemian Beliefs - "Truth, Beauty, Freedom and above all else, Love." Rachel Thompson

You are all beautiful. Your worth is more than the gems of heaven and the praises of this earth. "It is important for you to understand you are part of a chosen generation. Limitless is your potential. Magnificent is your future, if you will decide now that you will not let your life drift in a fruitless and aimless manner." Gordon B. Hinkley I beg you to never give up on yourself; you are far too precious to waste. Anna Van Wagoner

# Spirit Week

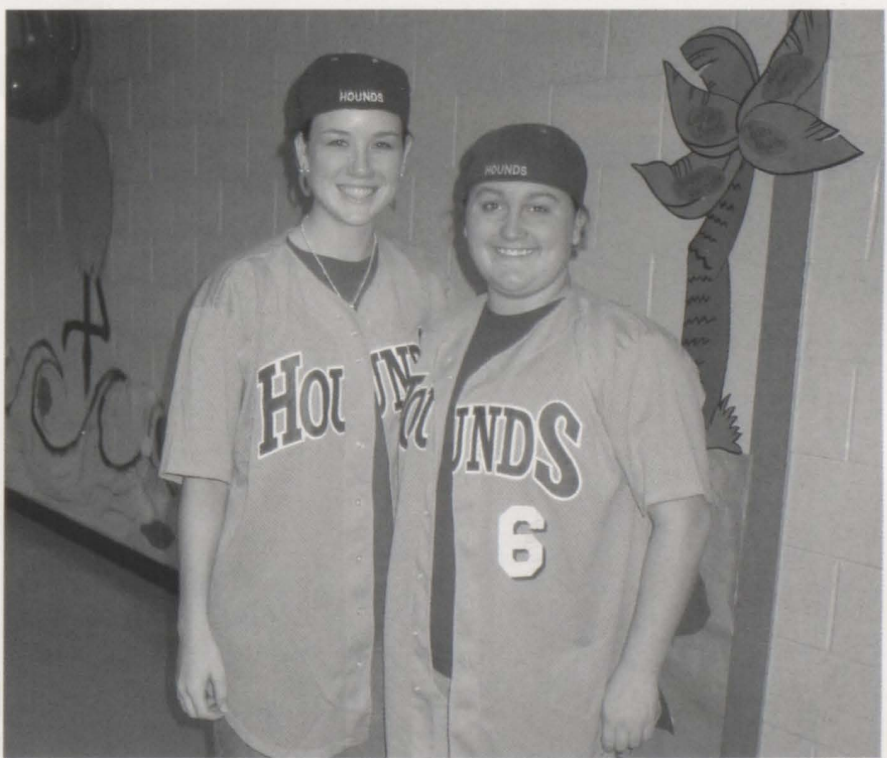

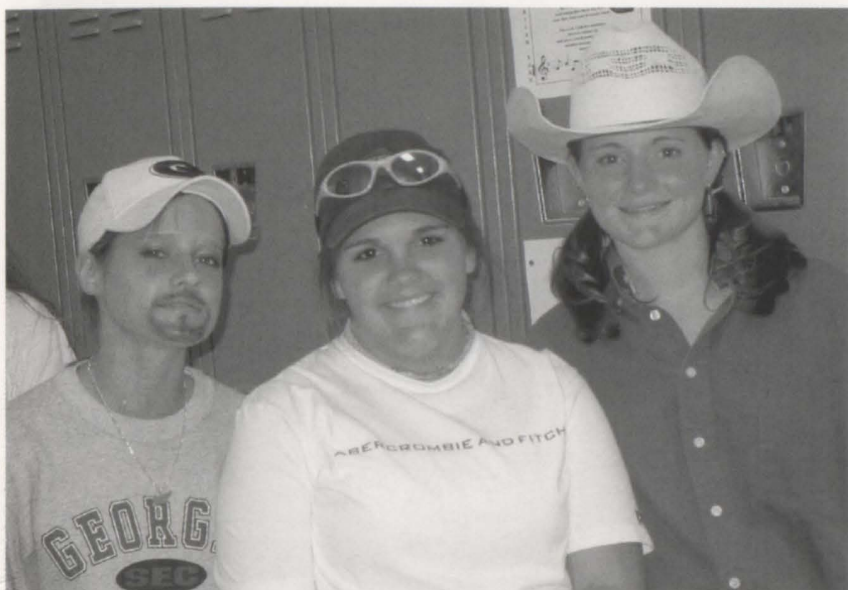

Each year a week is set-aside for all Spirit-Hungry students to "SHOW THEIR SPIRIT!" Each day is assigned a theme by student council and all those enthusiastically spirited students try to out do each other by "Dressing for the Occasion." In addition to dressing up each day, students also attended the Homecoming Pep Rally on Tuesday night and participated in the Homecoming Parade on Thursday afternoon. A second pep rally was held during school on Friday. To top the week off, the mighty Greyhound football team defeated Greenbrier. Spirit was certainly at a record high for this year's Homecoming.

This year's 2002 Spirit Week was packed with excitement and lots of fun. Students showed their spirit by participating throughout the week in activities and contests. A week filled with fun and laughter ended with a triumphant win over Greenbrier, 23-10. Also, another important event occurred during the halftime show when our JCHS Homecoming Court was announced and the queen was crowned. Second runner up was Ashley Carden, the first runner-up was Natalie Blount, and the JCHS 2002 Homecoming Queen was Tera Patterson.

**See You At The Pole is a nation wide event, held the 3rd Wednesday of each month at 7:15 am and 8:00 am. This is an event where students, teachers, and community members have a chance to sing, pray, and discuss their concerns about the world.**

# Stidaway

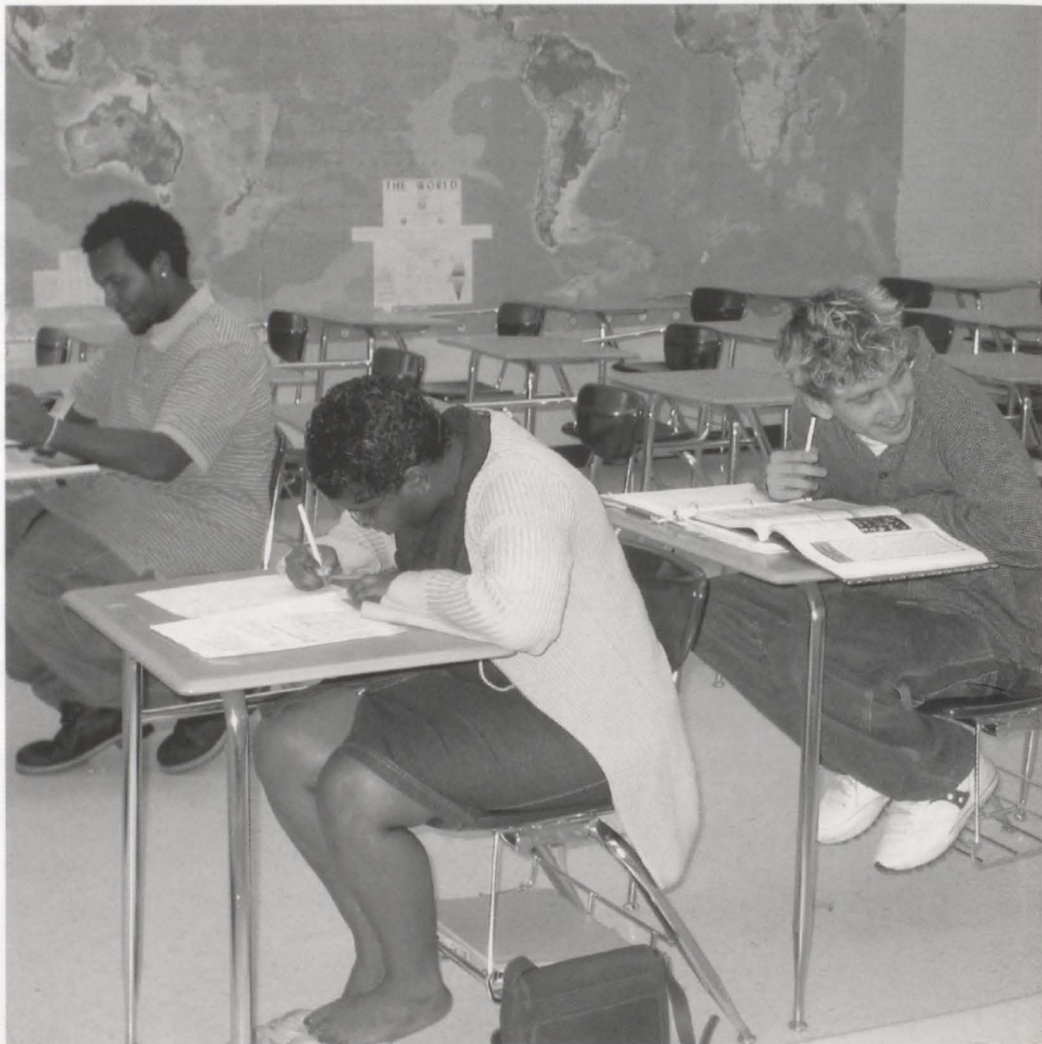

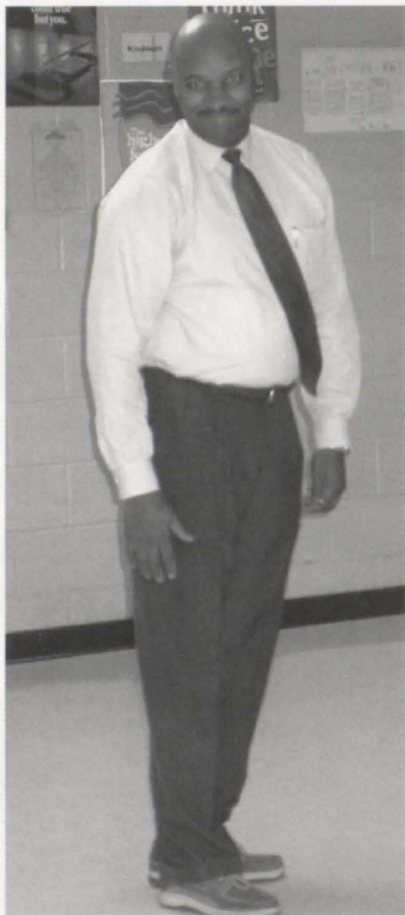

**The Honors Biology Class attended the Marine Institute on Skidaway Island with Mrs. Simpson & Mrs. Swanson. While there, the students received instructional information about marine ecosystems and marine life. One highlight of the trip was a visit to Tybee Island where students cast nets to collect fish in the ocean. The students had a great time and learned many new things.**

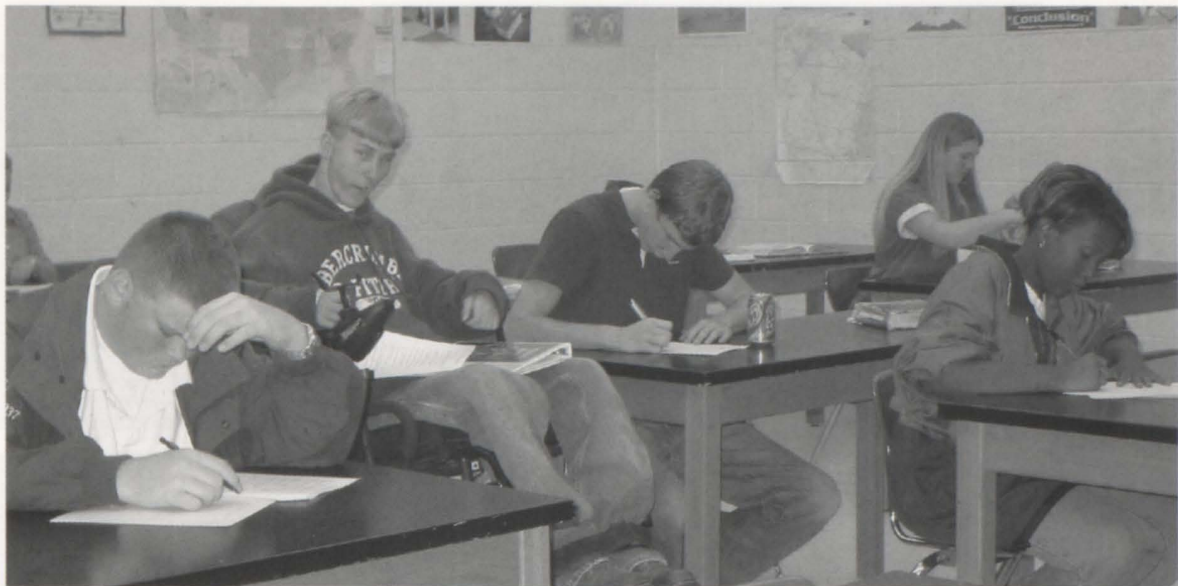

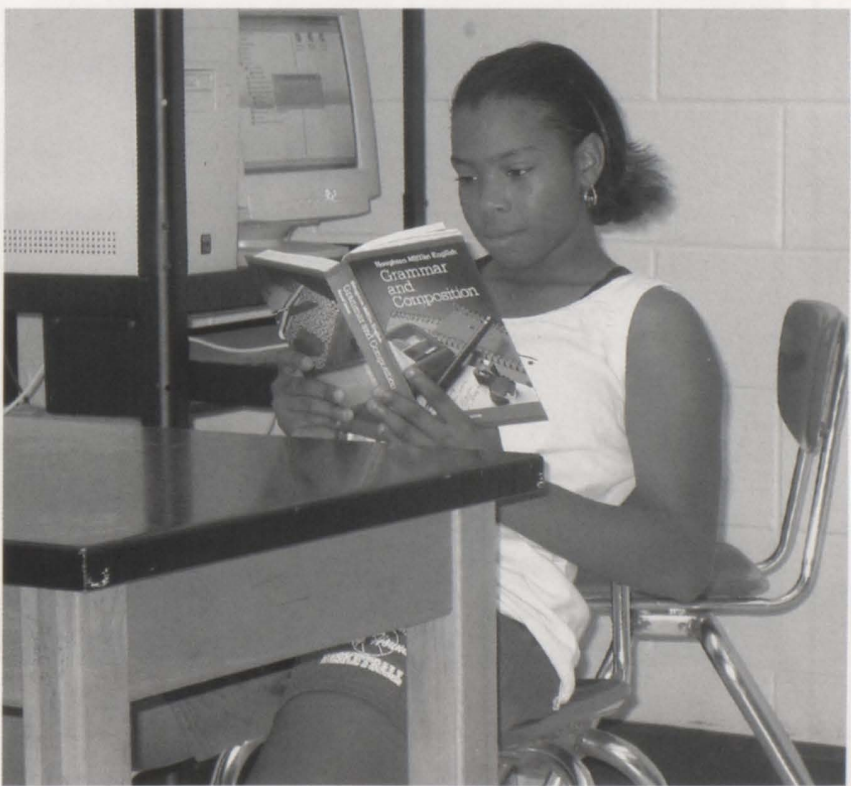

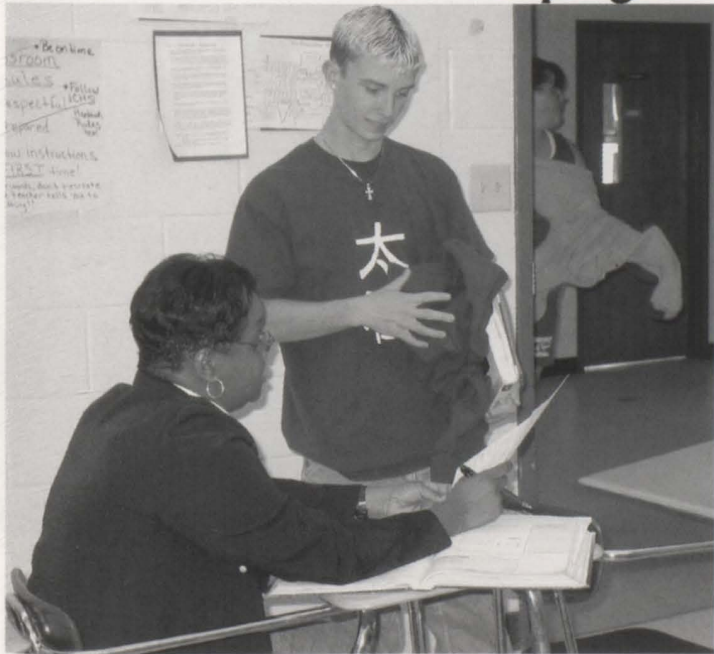

# Evening School

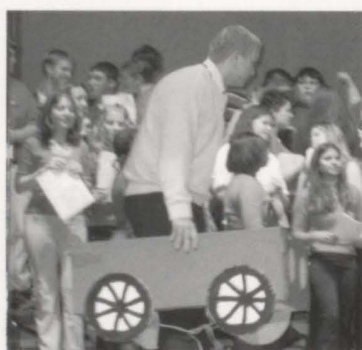

**The Jones County School System believes that all students should be offered the opportunities necessary to complete high school. This is why the evening school program was created to help and encourage students to graduate. Also, currently enrolled students may take additional courses to supplement their academic program. We appreciate all the hard work and dedication of the teachers, faculty, and students that are involved in this program.**

# White Christmas

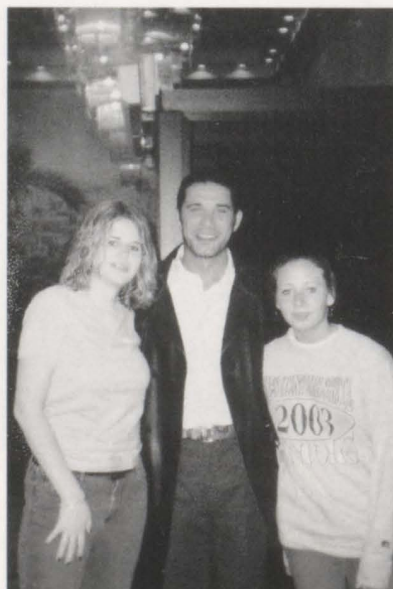

**White Christmas was held on December 9, 2002 this year. It was the 34th annual play produced by the Senior class. The play raised over \$1,500 for charities in Jones County. Thank you to everyone that helped make this show such a success.**

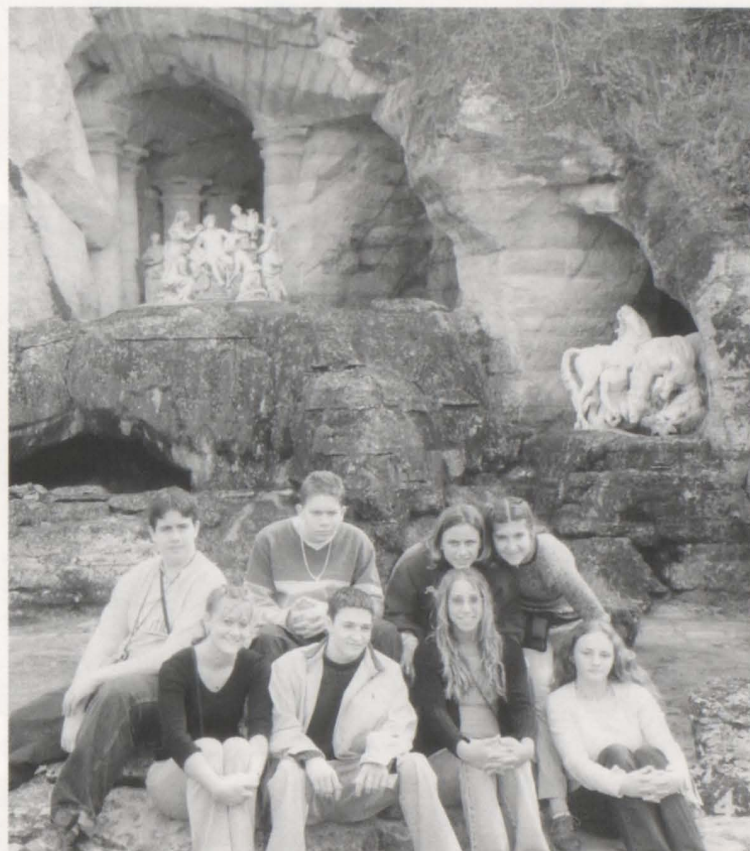

# Italy & Greece Trip

On March 28, 2002, Miss Whatley and Coach Glover accompanied a group of students, parents and grandparents to Italy and Greece. The students making the trip included B. J. Knight, Lori Allen, Jennifer Thornton, Summer Bozeman and Elizabeth Keith-Olsen. The group visited the Sistine Chapel and saw the Ruins of Rome. They also went on an overnight cruise of the Mediterranean Sea between Italy and Greece. The group returned home on April 6th, after a fun-filled, exciting time.

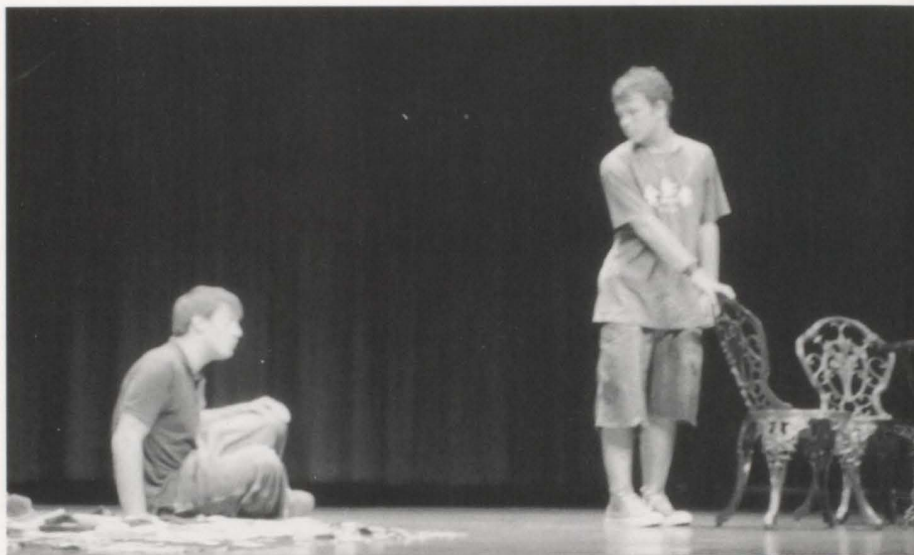

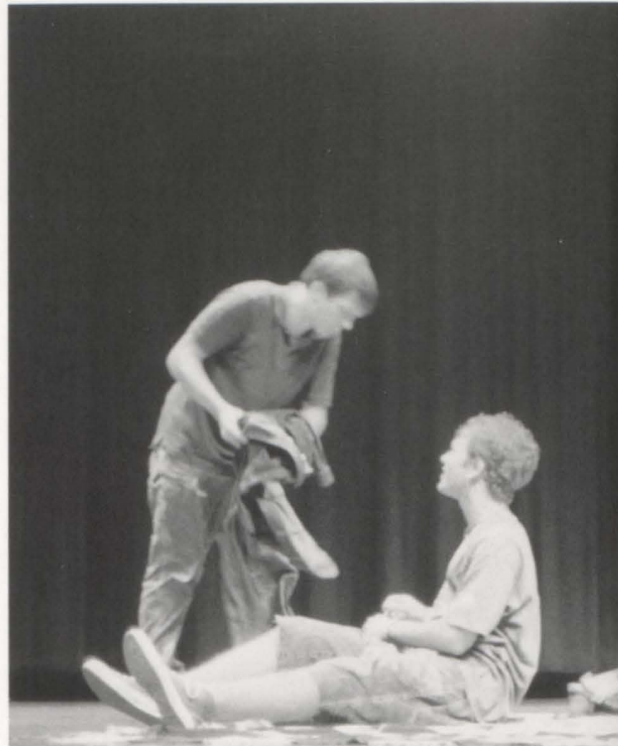

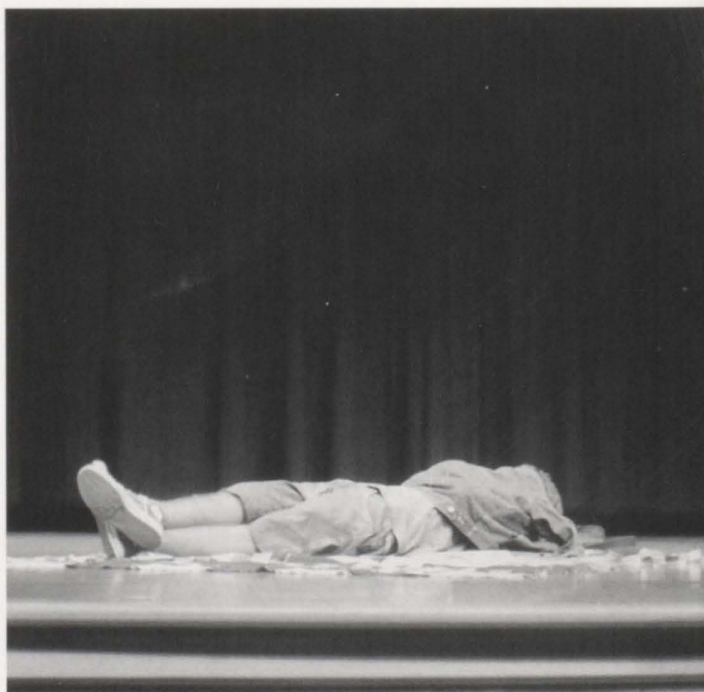

During Spring Break of 2002, a group of 22 students and parents traveled to France with Mr. Martin and Mrs. Hamlin. After settling into their hotel in Paris, the group toured the Louvre, seeing the Mona Lisa. Over the next five days, the group toured Paris. A small group took a side journey on the 4th day to Chartres Cathedral and the castles of Chenonceaux and Chambord. The others toured the Champs Elysees and the Arc de la Defense. The last day, the group visited Versailles Palace. The group returned home tired, but full of memories of a rewarding and enriching experience.

This year's One Act Play was entitled "Waning Crescent Moon". The cast included Jeremy Skidmore as Scooter, Jared Holt as Hal, and Brittany Schott as Gertie. After many weeks of hard work and dedication, "Waning Crescent Moon" was performed at the Region One Act Play Competition. They placed second out of eight competing schools. Brittany Schott received the award for Best Actress, and Jeremy Skidmore received the award for the All-Star Cast. Congratulations to Ms. Scamihorn, cast, and crew for your great accomplishments in this year's One Act Play Competition.

After graduating 23 seniors from last year's state playoff team, the Greyhounds looked to begin rebuilding this season. With many young players on the roster, the Greyhounds still managed several big wins this year, including a win at Homecoming over Greenbriar and a win on Senior Night over Glenn Hills. With the experience gained this year, the Hounds are already preparing for another great season in 2003.

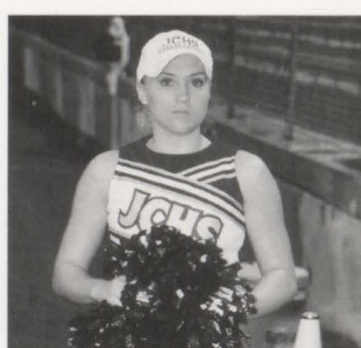

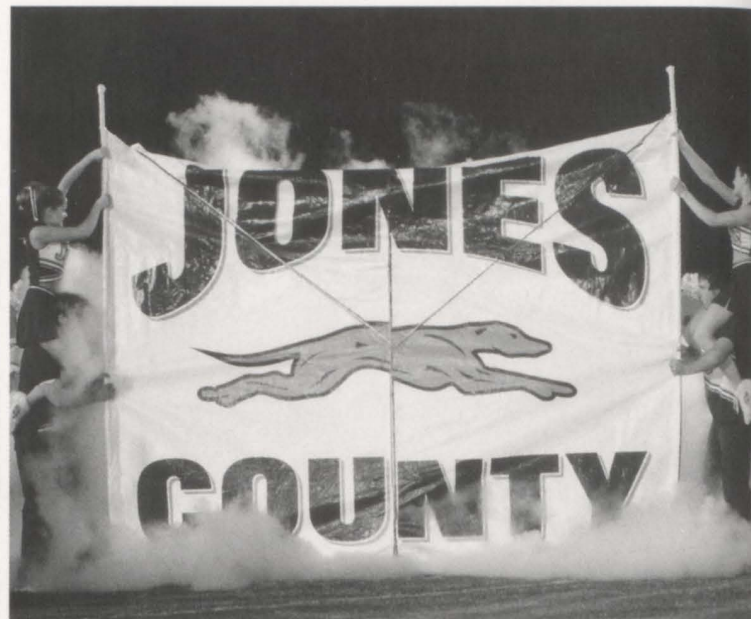

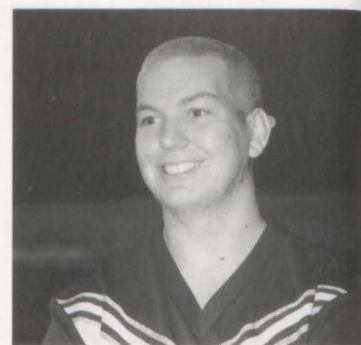

# Varsity Football

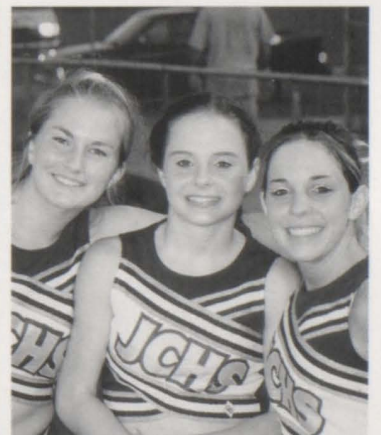

The JCHS Football Cheerleaders had a very successful season. The squad started this year by going to camp at the University of Georgia where they won the award of Top Team and also received a bid to nationals. This year's captains were Summer Bozeman-Head capt. and Alex Thigpen- Stunt capt. Miss Tucker was very proud of the performance of the cheerleaders this year. The squad is eagerly looking forward to the upcoming competition season.

# 9th Grade & JV Football

The JV football coaches for the 2002 season were Coach Stokes, Coach Jones, Coach Patterson, and Coach Martin. Coach Patterson and Coach Martin were also the coaches for the 9th grade football team. The JV had a tough schedule playing such teams as Warner Robins, Northside, Houston County, and the like. Starting this year a player could only play 6 quarters a week. With 8 sophomores starting on varsity and about 6 others that played on special teams, most players could then only play 2 quarters on JV. As a result, many 9th grade players gained valuable playing time on JV that would otherwise have gone to the 10th grade players. Because of the youth of the team, a limited offense and defense was utilized. The 9th team also had a tough schedule. The coaches were very proud of the team members and felt that most of them progressed through the season. They also feel that some of the players will be able to step in next year at the varsity level. However, with so many returning starters on varsity, many of this years JV will likely get another years worth of experience on JV.

# JV Football Cheerleaders

**This year's Junior Varsity squad was great. They enjoyed cheering for the football team and performing at pep rallies. Under the leadership of Mrs. Hillar Faircloth, these young ladies and gentlemen showed their spirit both on the field and off. This year's squad was behind their Hounds 100% .**

The Junior Varsity Competition Cheerleaders had a great season this year. They competed at the Jones County, Perry High, Jackson, and Winder-Barrow competitions. They had several wins. # Marching Greyhounds

The JCHS Marching Greyhounds had a great year with many performances. The band performed pre-game and halftime at our football games as well as competing in Carrollton and Rome. The students earned honors in their competitions and felt the hours of rehearsal all summer were worth it. Here in Gray, the band played concerts in the auditorium, marched in the Homecoming and Christmas parades, played for a 9/11 Memorial Ceremony, and played for various other functions around town. Mr. Lundin was very proud of the comradery of the band students and the dedication they showed all season.

# Color Guard

Tabitha Owens, Courtney Brock, Candice Baggarley, Tristin Cooper, Heather Stevens, Tasha Jenkins, Michelle Zamattas, Amia Dobbs, Holly Pointer, Katrina Mitchell, Brittney Land, Amber Ramirez, Jessica Duckworth, Allie Chambers, Blair Sapp, Jodie Rowland, Tiki Norman

The Color Guard had a very eventful year. The team traveled to the University of Florida in July to attend and compete at Marching Auxiliaries Camp where they won the 110 % Award and the Grand Champion Color Guard Award. Later in the year the guard performed with the Marching Band at competitions in Carrollton and Rome and received Superior and Excellent rating as well as Best in Class honors. The group performed Michael Jackson's Thriller with the Drill Team and Percussion for the JCHS Drama Variety Show. The guard added rifle spinning to its repertoire of equipment, featuring Tabitha Owens as a rifle soloist and Courtney Brock, Candice Baggarley, Jessica Duckworth, Brittney Land, and Katrina Mitchell as the rifle squad. The guard is looking forward to teaching all members rifle spinning skills and to adding sabre twirling in next year's show.

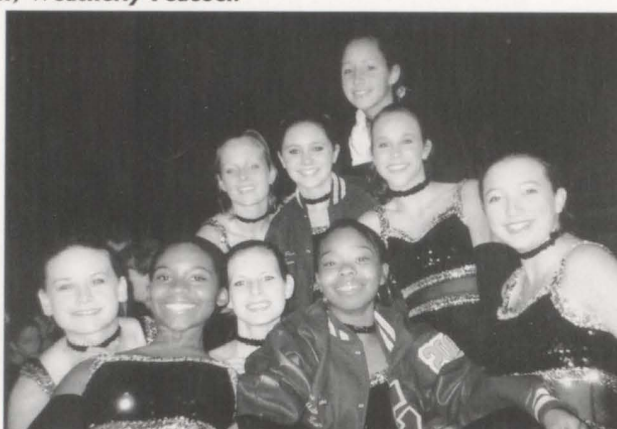

# Drill Team

2002-2003 was another thrilling year for the JCHS Dance Team. The year started with Dance Camp at the University of Florida in June and Band Camp here at JCHS in July. During competition season the Dance Team recieved Best of Class at Carrolton and Rome, recieving the highest auxiliary score of the day. This year the dancers amazed audiences with their rendition of Thriller. Natalie Blount, Tori Owens Autumn Pippin, and Heather Lindsey led this year's team. These seniors guided the team to success with a "slave driving" work ethic and a "finish it" attitude. There are 10 seniors that will be sorely missed next year. The only reason this team is consistently successful is because it is made up of quality young women that know what it means to build something from nothing and be truly proud of themselves and each other!

Jones County Fastpitch Softball completed its 9th season this year coming in 3rd in the state, their best ever finish. The Lady Hounds had another rocky start with the starting pitcher, Ashley Mayhue, breaking her foot a week into practice. The team had to do some rearranging, but they came together and played strong. In sectionals, the Lady Hounds were 3-0, knocking out Columbus and Shaw, who had eliminated the Lady Hounds in the past. With many young players stepping up, the Lady Hounds had another successful season

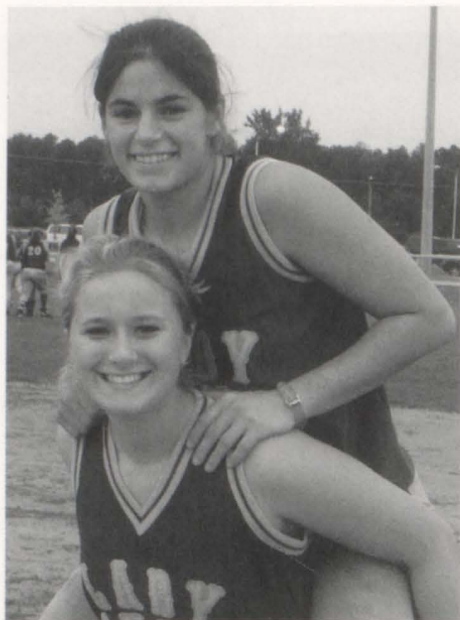

The Lady Hounds had another honor when Ashley Hamlin, pictured on the left, was named the All Middle Georgia Fastpitch Player of the Year by the *Macon Telegraph*.

## Who says they play like girls?

This year's team has learned one valuable lesson - perserverance. Overcoming team stress and playing hurt and sick

have made this team strong enough to be champions. Using the morals taught to them by Coach Peters, the Lady Hounds walked off the Jefferson field victorious and graceful. Winning their region and becoming one of the final four at the State Championships made all the Lady Hounds' hard work worth while. Being the last AAAA team standing, the Lady Hounds are State Champs without a doubt. Go Lady Hounds!!

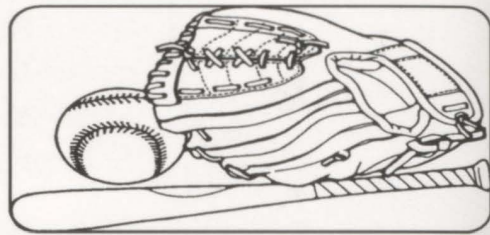

# JV Slowpitch

This year's JV Slowpitch team consisted of 15 young ladies: Quynn Manuel, Rebecca Morgan, Amanda Harrison, Britney Morris, Stacy Hinton, Brittany Conner, Chasty Flagg, Sarah Barreth, Mandy Marino, Amber Kelly, Cecilia Roberts, Angelica Manuel, Gena Perry, Melissa Brock, and Jessica Denny. The Lady Hounds determination and dedication to the program shows through their hard work and daily practices. With the leadership of Coach Mike Thompson and Coach Bonnie Peters they finished the season with a 9 and 1 record. The future is looking very bright for these Lady Hounds.

# JV Fastpitch

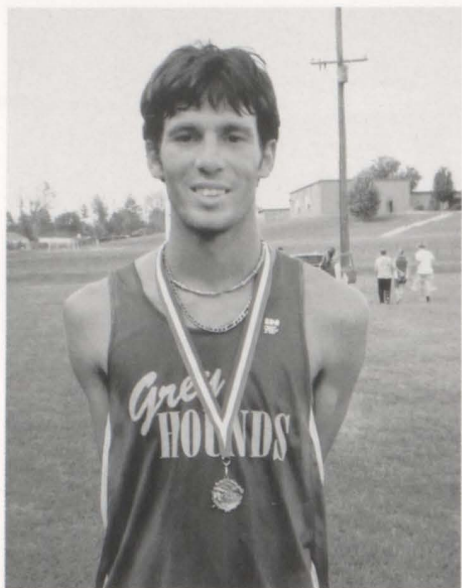

The Junior Varsity Fastpitch team was led by Mrs. Joy Trimnell and Mrs. Marty Harrington. Under their direction, these young ladies pulled together and ended the season with an even 5 and 5 record, while learning what it means to be a team. The 10 determined young ladies were: Frances Windam, Brandi Heath, Ashley Dupree, Dawn Ethridge, April Williams, Kadi Belshan, Mattie Dewberry, Amanda Loth, Jade Knight, Samantha Loth. In the shadow of the state bound varsity team, these players worked especially diligently to improve the skills in hopes of making varsity next year.

# Boys Cross Country

The Boys Cross Country team had a great season this fall. Under the leadership of senior Chris Hodges and junior Keith Barger, the boys united and competed as a close team. The Boys Cross Country team included seniors Chris Hodges and Melvin Lattany, as well as underclassmen, Keith Barger, Glenn Sargent, Danny Nunez, Josh Sargent, Brandon Moreno, Joseph O'Shaunesay, Dylon Marbais, Brian Watts and David Robertson. The team was coached by Coach Mike Denaro.

The 2002 Girls Cross Country Team was small but powerful. In describing the team, you would have to talk about the love and the respect that these girls had for each other. The Lady Hounds were very close this year, with only six members. The 2002 season really began with last year's track season, where the new members were convinced they should run in the fall. The Lady Hounds has a great season, with the team qualifying for sectionals and Lacy Gardner qualifying for the state meet in Carrollton.

The encouragement that these girls gave each other is what got the team to sectionals and Lacy to state. Congratulations on a great season.

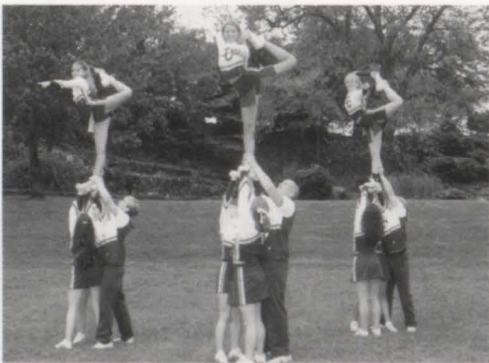

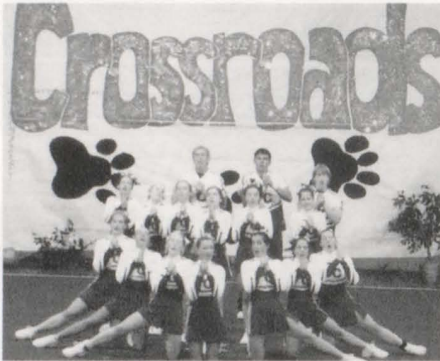

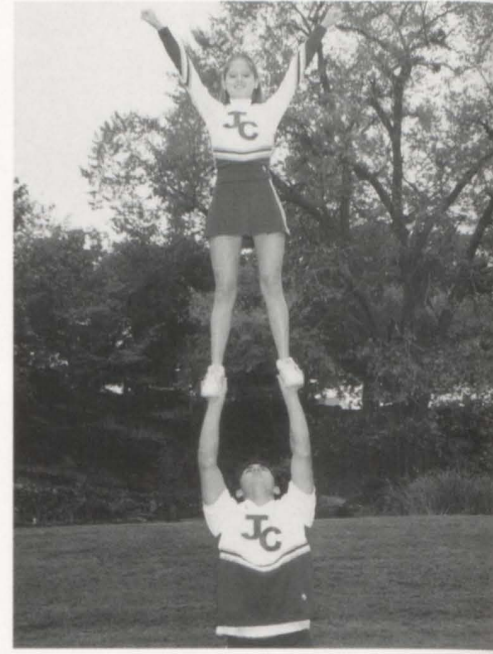

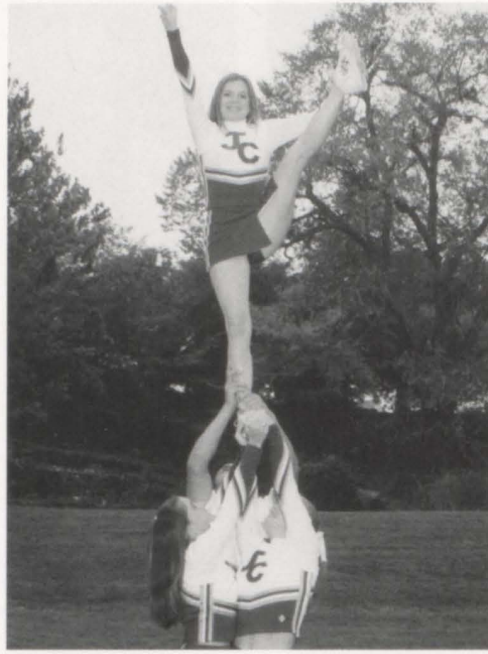

The closeness of the girls cross country team this year was important. Everyone had a certain role to fill. Lacy Gardner was a strong leader. She set a wonderful example of moral, spiritual, academic and physical excellence. Sara Pope and Jennifer Weidner ran long distance track last spring and decided to continue running this fall. Sara allowed cross country to consume her and it showed at meets where she did some damage to the competition. Jennifer managed to combine her competition cheerleading energy with the endurance of cross country. Christy Andrews is a third year Lady Hound and one of the team's anchors. She seems mild, but she is consistent and a force to be reckoned with during a meet. Anna Elder has the best attitude toward life and is one of the happiest people you could know. Her ability to turn any situation into a positive one is valued at a tough meet. Laney and Stacey Spivey, the twins, are sweet and dedicated. These two freshmen have greatly improved since last year and it has helped the team greatly.

The 2002-2003 Wrestling team has shown their dedication by excelling in a sport that requires a great deal more conditioning and overall physical work than you could imagine. In order to make weight, the wrestlers may have to sacrifice their favorite foods just to be able to compete at the upcoming match. All of the wrestlers are required to be in top shape to wrestle in their pre-determined weight class. With their skills and fundamentals of the sport improving over the last five years, Coach Daniel Lewis hopes to produce another state champion in the near future.

The Varsity Basketball team had an outstanding season with the leadership of seniors Jake Farley, Justin Lord, and Michael Bowen displaying their great work ethic, their will to win, and showing a great example of what is needed to win. With the team improving themselves throughout the season, and with a team which consist of few seniors, many look forward to the coming years of Greyhound Basketball.

By giving their all in daily practices they have shown great effort in improving their fundamentals and skills for the hope of a better

*From a baby, to a boy, to a young man, you were full of life and filled with surprises. Trying to keep up with you has been many things: rewarding, challenging, hopeful, and fulfilling. In every one of your years, you have given me more happiness and love than most people will ever dream.*

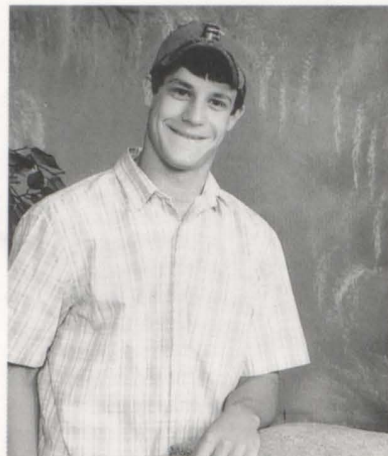

*As a family, we have walked along many paths on our way from yesterday to where we are today. Love has always been our companion, keeping us close even when we've been apart.*

## "HAMBONE"

Ashley, an athlete is "what" you are, but it is your heart that determines "who" you are. Follow your heart in all that you do. Life is a series of "one way" roads, that we all must travel, with no turning back. We must keep going forward with many decisions to be made before we reach our destination. Success can be found by remembering where you came from and where you are trying to go. When you feel that you are lost and not sure of what road to take next, let your heart be your map. Every road that you take may not always be smooth and may not turn out like you imagined, but when you reach your destination, the ride would have been worth it all. I would wish you "luck", but I don't believe in luck, I believe in destiny. You are now in the driver's seat and you must determine that destiny. You have ambition, you have determination and you have heart. You WILL do fine. We love you and are very proud to call you our daughter.

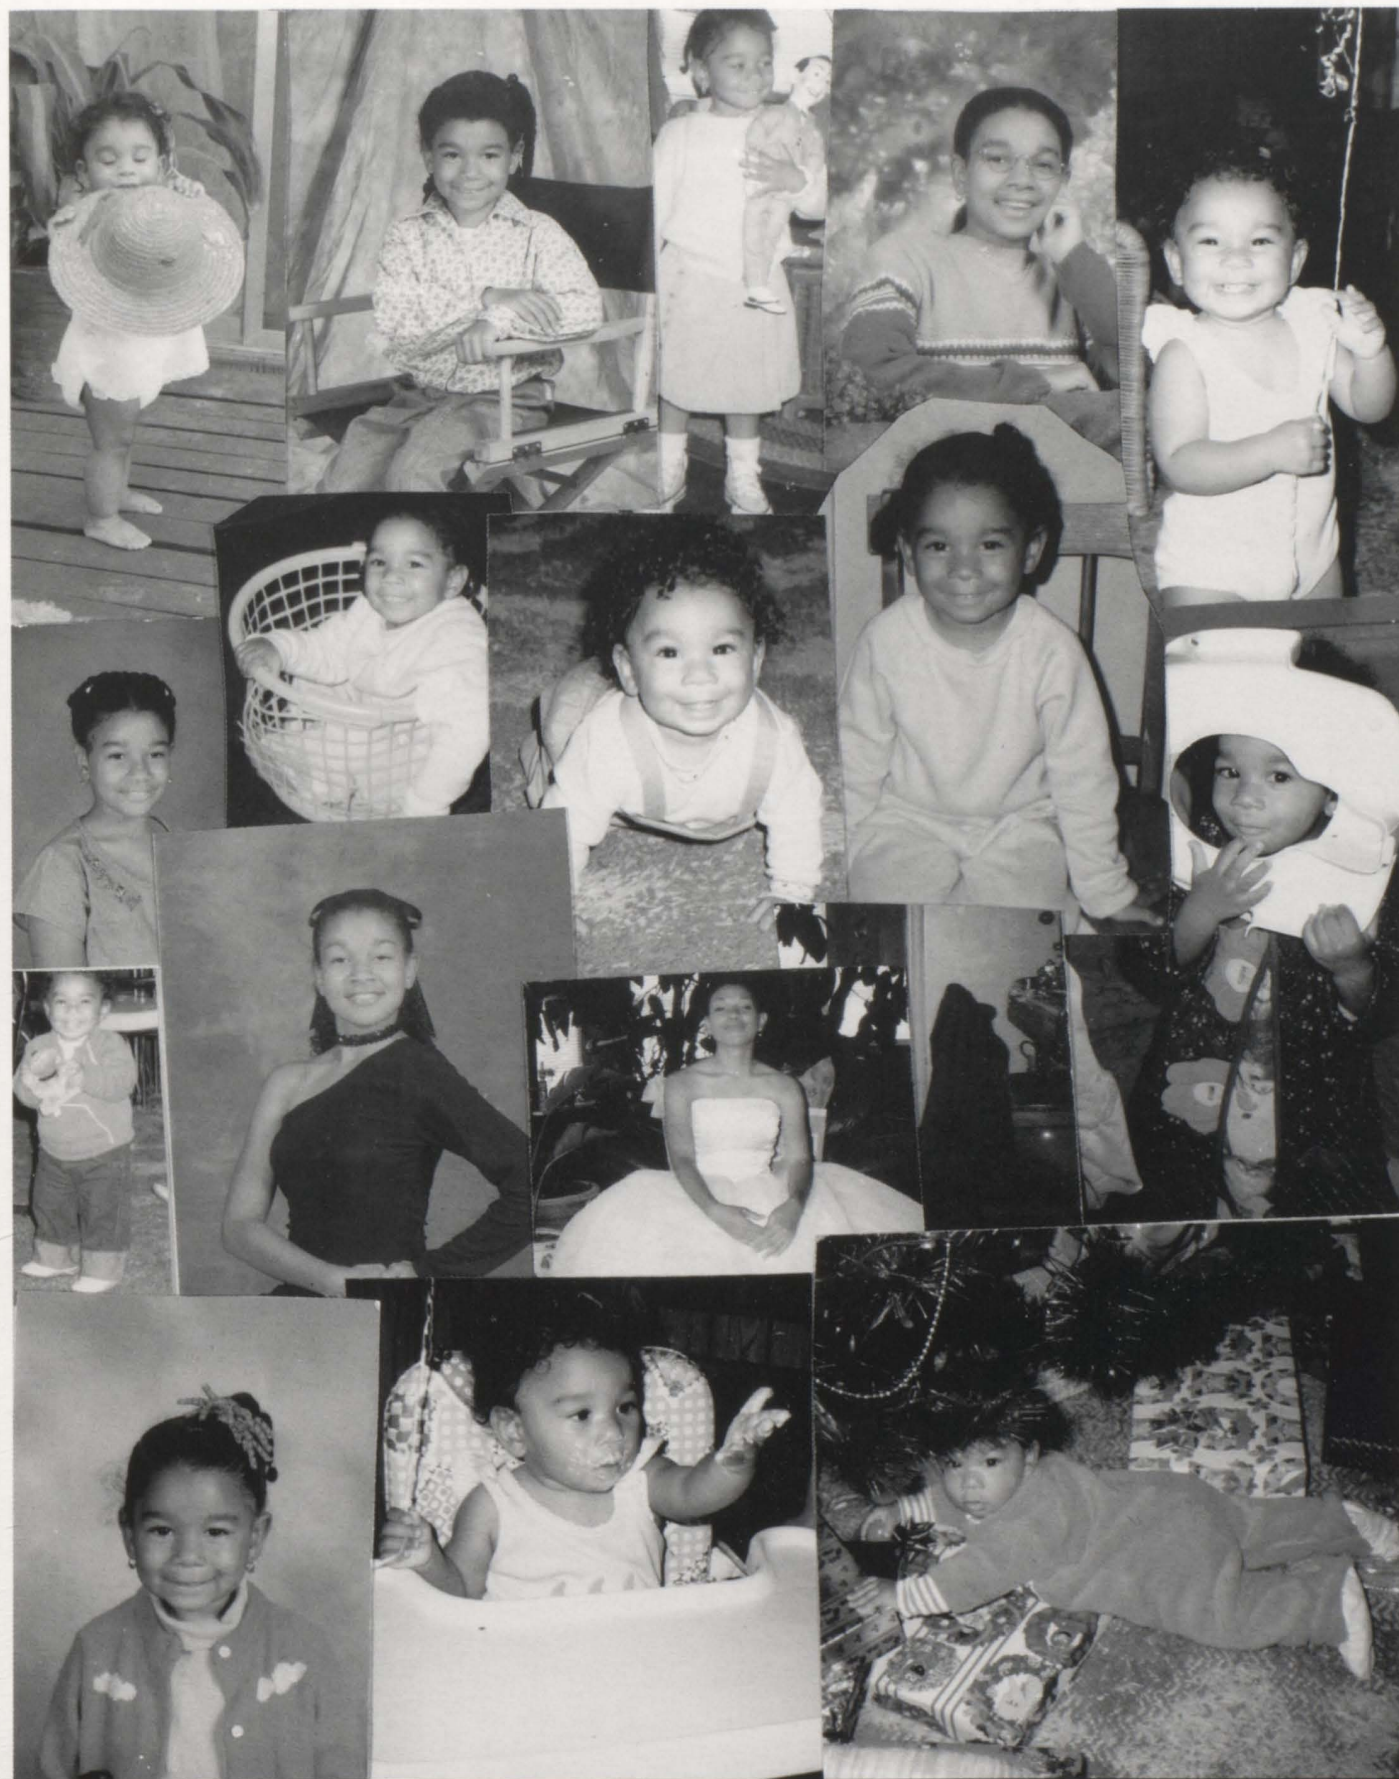

**JESSICA HAMILTON**

These past four years at JCHS have made a lasting impression on me. Although the road has been tough at times, I've learned many valuable lessons. The most important of these lessons is to stay true to yourself. I've met many wonderful people here, and out of these people have emerged some life long friends. Thank you all for the memories-I will cherish them always. To all the seniors, it's been a great ride, one that I know none of us will ever forget. In the future, I hope that when everyone looks back at this yearbook, you will think of all the good times here at JCHS.

I want to say thank you to the yearbook staff for doing a great job this year. I know the new computers were tough, but with some hard work and diligence, we made it through. Mrs. Stewart, thank you so much for your patience and guidance. I don't know how you put up with us, but you did. I think I speak for everyone when I say, thank you Dexter for all your help. You have been a real life saver to all. My three years on staff have been so much fun. I hope everyone's experience has been as memorable as mine. Good luck to next year's staff!

# THE WAR ON TERRORISM

Over the course of the year, the world's attention focused on a chain of tumultuous terrorist events. In Afghanistan, the Taliban regime fell from power as U.S. troops crippled the al-Qaeda network and cleared caves in search of Osama bin Laden. World-wide, civilians and military personnel fell victim to terrorist bombs and acts of hatred. On the home front, "bioterrorism" became a common term after it was revealed that Iraqi leader Saddam Hussein was producing biological weapons. Hussein's defiance of United Nations imposed sanctions prompted the United States to

seek world support of military action against Iraq. Members of the North Atlantic Treaty Organization wrestled over conflicting opinions on the issue, while North Korean leader Kim Jong Il threatened to deploy nuclear weapons if Iraq was attacked. As tensions rose among political leaders, the world watched and waited to see what the next chapter in "The War on Terrorism" would bring.
